

## MEAL PLAN AND CAMPUS CASH AGREEMENT

This Agreement pertains to all plans, accounts and packages provided by the Faculty Student Association (FSA) as UB Campus Dining & Shops (CDS) and the use of those plans and the UB Card.

### Meal Plan Information

- For record keeping purposes, the value of your Meal Plan is measured in terms of meal credits and Dining Dollar points. Each Dining Dollar point has the equivalent value of one U.S. dollar. A meal credit entitles you to one all-you-care-to-eat meal in a dining center. A meal credit may also be used in specified UB Campus Dining & Shops operated locations where a credit value is assigned, as defined below. Meal Plans are subject to certain New York State tax law provisions. As a result, except as otherwise described in this agreement, unused Dining Dollar points and meal credits cannot be refunded for non-use or for any other reason.
- Meal Plans and individual meal credits are non-transferable and are not to be shared. Three guest meals are included with most plans for use in a dining center when you have a guest on campus and would like to purchase a meal for them.
- Freshmen living on campus in the residence halls are required to have a Meal Plan both semesters of their first academic year. Freshmen may choose either the “Any 19” or the “Any 14” Meal Plan. Your class designation in hUB is the class recognized by Campus Dining & Shops in relation to your meal plan options.
- Freshmen living within the residence halls will automatically be assigned and billed for the “Any 19” Meal Plan, but may select the “Any 14” Meal Plan instead. The student’s University Student Account will be charged according to the rules and regulations outlined in this Agreement. Freshmen students that enroll and are assigned to a residential hall after July 1, 2018, may need to choose their meal plan independently.
- Upperclassmen or transfer students living in the residence halls may purchase any Resident Hall Meal Plan. They also may choose to purchase a minimum of \$950 worth of Dining Dollars which are valid for the entire academic year. An upperclassman is defined as any student not defined as freshmen in hUB, as previously stated in this agreement.
- Upperclassmen living in the on-campus University at Buffalo Apartments may purchase any Meal Plan, Block Meal Plan or a minimum of \$25 worth of Commuter Dining Dollars.
- Commuters may purchase any Meal Plan, Block Meal Plan or a minimum of \$25 worth of Commuter Dining Dollars. A commuter is defined as any student not living in the residence halls.
- Graduate Students may purchase any Meal Plan, Block Meal Plan or a minimum of \$25 worth of Dining Dollars. A graduate student is defined as any student enrolled in a Master’s, Doctoral or graduate professional studies program without regard to location of residence.

- All residential and commuter Meal Plans , excluding the Upperclassman Residential Dining Dollar plan and the Apartment Dining Plan, are sold on an annual basis and billed by semester. They will automatically renew for the spring semester. Upperclassmen may choose to cancel their Meal Plan as described in this Agreement.
- Meal Credits are not valid over University breaks or recesses. Dining Dollars and Campus Cash may be used. Breaks and recess schedules are posted on <http://MyUBCard.com>.
- All traditional Resident Meal Plans include a maximum number of available nontransferable meal credits per week or per semester depending on the plan purchased. One meal credit is deducted from the weekly or semester allocation for each breakfast, brunch or dinner eaten in a Residential Dining Center or taken as a meal credit (see below). Two meal credits are available during each meal service period per day. The weekly meal credit allocation is reset every Saturday. Meal credits do not carry over to the following week or the following semester. Resident Block Meal Plans have a semester allotment of meals that can be used during meal service hours throughout the semester.
- In the event that a student does not attend certain breakfast, brunch and/or dinner meals in a Residential Dining Center, a meal credit may also be used in any specified UB Campus Dining & Shops operated location. Each meal credit has a fixed value based on the meal period: a breakfast credit has a value of \$4.75, a brunch credit has a value of \$9.25, a lunch credit has a value of \$9.25, a dinner credit has a value of \$9.25, and a Late Night credit has a value of \$5.50. Specific locations and times for meal credit values are posted at each unit. The credit value represents the maximum value that will be deducted from your purchase total; it has no monetary value and no change or remaining credit will be given.
- Dining Dollars associated with your Meal Plan will transfer from the fall 2018 semester to the spring 2019 semester only if a spring semester Meal Plan is purchased. Remaining fall Dining Dollar balances will automatically be added to the spring Dining Dollar starting balance of any valid plan. If a Meal Plan is canceled for the spring semester, remaining Dining Dollars from the fall semester will be forfeited. All Dining Dollars must be used by May 21, 2019, as they will expire after this date.
- Meal Plans, including Resident Block Meal Plans and Dining Dollars, may be canceled and a refund may be requested only if you withdraw from the University at Buffalo or are officially released from the University or from your Campus Living contract. Meal Plan refunds for all plans except block plans will be pro-rated for the number of full weeks remaining in the semester.
- Dining Dollars may be used in the CDS convenience stores: The Elli, Campus Tees, Teddy's and the Main Street Store for non-taxable food items.

### **Meal Plan Purchase and Change Dates: Fall 2018**

- Upperclassmen may choose to purchase a Meal Plan at any time. Once purchased, a Meal Plan may only be changed up to the close of business on Friday, August 31, 2018. After that date, the Meal Plan cannot be canceled or changed for the fall semester.
- Freshmen that have the “Any 19” Meal Plan may choose to change this plan to the “Any 14” Meal Plan up to the close of business on Friday, August 31, 2018. After that date, the plan cannot be decreased or canceled.
- You may upgrade your Meal Plan at any time during the semester.

### **Meal Plan Purchase and Change Dates: Spring 2019**

- Freshmen and Upperclassmen who have a Meal Plan for the fall 2018 semester will be assigned and billed for the same plan for the spring 2019 semester.
- Changes to the assigned Meal Plan may be made in person at the UB Card Office. Changes can additionally be made online at <http://MyUBCard.com> up through the close of business February 1, 2019. The final day to change a plan for the spring semester is February 1, 2019.
- **Upperclassmen may choose to cancel their Meal Plan IN PERSON at the UB Card Office by the close of business January 25, 2019 during business hours. The UB Card Office may be closed from December 24, 2018 through January 2, 2019. No cancellations will be permitted after January 25, 2019.**
- Changes after February 2, 2019 due to class conflicts or a change of residence will be made on an exception basis at the discretion of the UB Card Office staff. It is the responsibility of the student to notify CDS when a change of residence occurs between the fall and spring semesters. Any change made after the deadline will be subject to a late change fee.

### **Campus Cash Information**

- Campus Cash is a form of tender at the University at Buffalo. It is subject to New York State tax laws and University Rules and Regulations.
- Campus Cash carries over from semester to semester and remains active over University breaks and recesses.
- An initial purchase of \$25 worth of points is required to open a Campus Cash account. Additional points may be purchased in increments of \$25. Each point has the equivalent value of one U.S. dollar.
- After you use your Campus Cash points for the first time, your points must be maintained in your account until (1) you officially leave the University or (2) we agree, in our sole discretion, to refund your unused points at an earlier time. When you officially leave the University or we agree to an earlier refund, unused points may be refunded to you in increments of \$10. You must request a refund by notifying the UB Card Office in writing (1) within 90 days of the end of the last semester you are officially

enrolled or (2) at least 30 days in advance with respect to any other refund request. All refunds will be processed within 30 days. If you are officially leaving the University, your refund is subject to a \$10 processing fee. All other refunds are subject to a processing fee of the greater of \$10 or 5% of the value of the unused points with a cap of \$25.

- If you officially leave the University without requesting a refund of your unused Campus Cash points, CDS will maintain your unused Campus Cash points, but will charge you a monthly inactivity fee of \$10 starting with the sixth month of successive inactivity and will deduct that fee from the value of your unused points prior to issuing any refund. The amount of any monthly maintenance fee is not refundable in whole or in part and will not be restored to you even if you later request a refund of your unused points.

- Except with respect to the refunds described in the preceding paragraph, Campus Cash points may not be converted to cash. Vendor refunds or merchandise returns made for Campus Cash purchases must be refunded in Campus Cash points.

- Campus Cash may NOT be used to purchase alcoholic beverages, tobacco products, lottery tickets, gift cards, money orders or travelers' checks. Campus Cash may not be used as a deposit for goods or services.

- Campus Cash may not be used to purchase goods or services for resale and may not be converted to or traded or exchanged to any other form of tender with the exception of purchasing Dining Dollars.

- Campus Cash sales are subject to Erie County and New York State tax regulations.
