

TABLE TENT POLICY

They are to advertise on-campus events, i.e. group meetings or recruitment, department or organization events, which are open to all students. They are not to be used to advertise non-university off-campus events.

Reservations are accepted from registered student organizations and departments through Campus Dining & Shops on a first come–first serve basis. Reservations are for one week, but multiple run dates may be reserved. Advertisers are limited to one ad per month. They are distributed on Mondays and removed on Sundays.
