WELCOME

Dining is an integral part of campus life, and at the University at Buffalo, we have created a living and learning atmosphere where your experiences will last a lifetime. Innovative cuisine, fresh flavors and great values are abundant here at UB. We strive to provide a wide variety of menu options with quality food and services, accentuating and enhancing the customer experience in a diverse global community. We have an outstanding award-winning residential dining program, featuring three Residential Dining Centers. We also offer many of the national brands you love, including Starbucks, Jamba Juice, Tim Horton's and Moe's Southwest Grill, along with many of our own concepts that are campus favorites. Using freshly prepared ingredients, buying local, offering global cuisine and serving foods that not only look good, but are good for you...these are just a few of the ways we have become one of the Top 50 Collegiate Dining programs in the nation. In addition to the variety of food available every day we hold special events and theme meals throughout the year, offering exciting new dining experiences.

We are proud of our dining program and we invite you to share your thoughts with any member of our management team. Now that you're here, welcome to all that the UB Dining experience has to offer. We look forward to serving you.

Sincerely,
Jeff Brady, executive director

Meal Plans

Eating on Campus as a First-Year Resident Student

To help students transition to college life, first-year students living in residence halls must have a meal plan. Your meal plan consists of a set number of meals per week, along with Dining Dollars. Here's how it works:

Meal Credits:

- **Residential Dining Centers:** Use a meal credit to eat in an all-you-care-to-eat format at any of our Residential Dining Centers for breakfast and dinner during the week and brunch and dinner on weekends.
- **Campus Dining & Shops' Restaurants and Cafés:** To give you flexibility and options, your meal credits have assigned dollar values based on the meal period that can be used at our restaurants and cafés. If your purchase goes over the assigned dollar value, you can pay the remainder using a second meal credit or Dining Dollars. To view all of our dining locations and meal period times, visit www.myubcard.com/locations.

Meal Period	Meal Credit Value
Breakfast (Mon.-Fri.)	\$4.75
Lunch (Mon.-Fri.)	\$9.25
Brunch (weekend)	\$9.25
Dinner	\$9.25
Late-Night	\$5.50

Dining Dollars:

- 1 Dining Dollars give you the flexibility to get a snack or meal whenever you want. Dining Dollars work like a debit account on your UB Card at all Campus Dining and Shops location, with purchases automatically deducted from the balance of the account. Use Dining Dollars to purchase a meal, get a beverage or snack from a vending machine, for those late-night munchies, or to purchase food or beverage products from one of our residential convenience stores.
- 2 Your Dining Dollars roll over from the fall to spring semester (with the purchase of a spring meal plan), but they do not roll over to the next academic year. If you use up your Dining Dollars before the end of the semester, simply add more in increments of \$25. More than convenient, Dining Dollars are tax-exempt, saving your 8.75% on every purchase.
- 3 Meal credits and Dining Dollars are stored on your UB Card so there isn't any need to carry cash. Unused meals from your meal plan do not carry over from week to week, so be sure to use your meals before the end of the week (weeks begin on Saturdays and end on Fridays). You can use two meals per meal period.

For First-Year Residence Hall Students

First-year students living in residence halls must choose from one of the two plans listed below. First-year students are automatically assigned the Any 19 Plan, but may select the Any 14 Plan by visiting www.myubcard.com/mealplans.

Any 19 Plan \$2,875 (semester)*

- 19 meals per week
- 200 Dining Dollars
- 3 Guest Meal Passes

This is a great plan and the best value. This plan gives you 19 meal credits a week to use in any combination in the Residential Dining Centers or in Campus Dining & Shops restaurant and café locations. This plan provides you the opportunity to socialize with friends, take a break from a hectic college schedule and enjoy an atmosphere designed with you in mind.

Any 14 Plan \$2,725 (semester)*

- 14 meals per week
- 300 Dining Dollars

Our thinking, research, creative activity and people positively impact and change the world. We are committed to supporting the local community and preserving our resources. Here are a few ways our dining program is doing its part:

- Look for the Made In – Grown In New York icon, which promotes and supports the sale of agricultural products grown and food products processed within New York State.
- We are composting kitchen food waste & post consumer food scraps, which produces a soil amendment that is used in landscaping across UB and community gardens throughout Western New York.
- Several Plastic bottle return/recycling machines are located across campus, helping reduce the amount of waste sent to the landfill.
- Our Reusable Travel Mug has saved over 400,000 cups from ending up in the landfill; along with saving customers 10% on each beverage refill.
- Our fountain beverage cups and to-go packaging are compostable and made from recycled materials.
- Many items in our grab-n-go cases come in Greenware® containers, which are made from plants and are biodegradable.
