716.645.3496 [UB-Catering@buffalo.edu](mailto:UB-Catering@buffalo.edu)

Based on the current NYS and University at Buffalo regulations surrounding COVID-19, Three Pillars Catering has put together a list of items we feel appropriate to offer for this year's Commencement.

We have created the below menu in hopes of providing a safe, "grab and go" option for this year's ceremony while still enhancing the experience for students, faculty and guests.

We know that the circumstances surrounding COVID-19 are constantly changing and we will possibly be expanding our selections based on the final format that is agreed upon for the 2021 Commencement and any changes in guidelines or restrictions for catering events.

As always, please feel free to reach out and ask about additional offerings that may not be listed and we will do our best to accommodate.
